College Hills Sanitary Sewer Line

- Existing sanitary sewer line runs under the footprint of proposed new building.
- Pepper Lawson developing GMP proposal to relocate sewer line outside the building footprint.
- Work to begin immediately upon Board approval.
- Request will be made to College Station City Council to abandon existing utility easement in return for the District granting a “blanket” utility easement on the property during construction period.

College Hills Sanitary Sewer Line

- Special Board meeting scheduled to consider the GMP proposal for the sanitary sewer line work
 - Noon, Monday, March 24, 2008
